About Us

Established in 2005, Sumadhura Arts Academy has been excelling in bringing about an Indian Classical Dance form to light producing the best of dancers at a global level.

Based in Hyderabad, we have enhanced the skills of about 800 individuals in this pristine art form of Kuchipudi with several branches at Manikonda and Motinagar.

We aim to provide quality training to our students from all age groups with little to no experience. Having performed over 1200 shows around the world in the past 15 years, we strive to perform better and better each day.

Sumadhura Arts Academy began 18 years ago with the purpose of promoting and propagating the pristine art form which impacted the lives of thousands including that of Ms. Sravya Manasa, who took it up as her responsibility to give back to the Kuchipudi community by providing it with another set of devoted dancers. The sheer determination and dedication of Sravya Manasa has brought the academy to its current glory. It now stands tall with multiple branches across the city, hundreds of dancers in the making and numerous achievements and awards in its bag.

Physical / In-Studio Classes happen at our Head Branch - Motinagar & we have classes also happening at Manikonda & Balanagar.

Online Sessions are available - IST & EST Zones. Separate Batches for US Time Zones. One on One Sessions are Available too.

Both Practicals & theory are concentrated in our teaching methods.

Founder

Sravya Manasa Bhogireddy

Founder / Choreographer

Sumadhura, IRA Space for Performing Arts & SMDE

One among the finest exponents of the Classical Kuchipudi Dance form, Sravya Manasa Bhogireddy is undoubtedly the 'Pride Of Telangana'; having mesmerised national and international audiences alike, with her enthralling On-stage performances.

Sravya has given her own unique twist to the Kuchipudi Dance form, by blending old-world classicism seamlessly with modernity, to appeal to the taste buds of a universal audience.

Right from the age of 18, Sravya has been training, guiding and mentoring budding talents under the umbrella of Sumadhura Arts Academy. So far, she has mentored well over 1200 students, and she and her Dance Troupe have performed in more than 1500 shows in India and abroad.

A recipient of many state and regional awards, Sravya Manasa has particularly been adept at adapting to changing times. Despite the Covid19 lockdown, Sravya has flourished with her trade by providing Online Classes to hundreds of national and international students.

Sravya has completed her Masters in Performing Arts from University of Hyderabad and now pursuing her PhD in Dance from the same university. She is also a graded artist from Doordarshan National.
